when?

We are currently accepting enrolments from prospective students in the area.

For more information visit our website

clontarf.org.au

The Clontarf Foundation and Cecil Andrews College are accepting enrolments for Years 7 and 12 to join the Cecil Andrews Clontarf Academy.

how?

The Clontarf Foundation involves participants in activities, camps and workplace visits to develop a broad range of life skills. Highlights include interstate and regional tours, inter-Academy activities and excursions.

what?

The Clontarf Foundation exists to improve the education, discipline, life skills, self esteem and employment prospects of young Aboriginal and Torres Strait Islander men and by doing so equip them to participate more meaningfully in society. The Clontarf Foundation conducts full-time mentoring programmes in selected middle, high schools and colleges that cater for the specific educational needs of participants. The Clontarf Foundation uses sport and various activities to engage and improve students' participation in education.

why?

The Academy, in partnership with Cecil Andrews College, works with students to ensure they complete school through to the end of Year 12. Students need to demonstrate that they are work ready through their attitude and commitment to the education and football programmes. The Foundation will then support participants in their transition from school to further training and / or employment.
